Invitation

One Day Hands on Training on cum Live workshop GYNAE LASER Skill Building Course is what we have planned and this is first hands on training course in Laser. It will be a great pleasure to learn from experts, all tips and tricks with patient safety. Our endeavour is to provide maximum exposure with minimum training charges. This topic is the hottest topic among gynecologists but to start it is a most expensive affair whether it is training or equipment cost but need of the time is to make it economical & reasonable. This is our first pilot project towards the same.

It is our sincere efforts to provide you complete exposure for Gynae laser and to update you on the latest non ablative laser & procedure available.

So friends, kindly give us a chance to serve you with Laser experts and right mix of best hospitality, technology and technique by experts of laser. So what are you waiting for !!!

Thanks Regards

Dr. Sumita Prabhakar & Team Heager India.
